### **5 Please add any other comments you would like to make about the CE Academy**

- You have never given up on him and tried lots of different ways of engaging him. You're the only people who have stuck with him.
- Just amazing the progress, you have made with X, she is a different person now.
- When my child attends she is well cared for and looked after,
- You are fantastic and tolerant.
- You are amazing.
- X enjoys Youth Works and Adventure Ways.
- X would not have completed his exams if he was still at mainstream.
- X loves coming to school and is very positive about it.
- I am pleased with the school and all the extra support X receives, he is definitely in the right place now. The support the school give and the feedback is excellent.
- I am very impressed with the hard work and determination of staff at the campus to encourage learning, happiness and confidence. You are perfect!
- If he hadn't gone to CE he wouldn't have done anywhere near as good. The OT was great, she really read him and listened to his problems. Mainstream didn't understand him and I always felt bad and that he was treated like he was just naughty. He often now fills me with pride.
- I think the key tutor has been really good and we've both made a connection. He has changed in the short time he has been at CE. I wish he had come straight to CE as the other provision was not really a school.
- My son received a level of care he did not get at mainstream which helped him improve at home and at school.
- Thank you for helping X prepare for his exams in the short time he was with you.
